

Wildehurst

WINES

Wildehurst Red 2012

56% Shiraz, 39% Mourvèdre, 5% Viognier

Shiraz and Viognier, from Joanne Hurst's own garden vineyard, at the foot of the Koringberg were co-fermented to produce this crown gem. After vinification the components were barrel matured in old French oak barrels for 18 months before blending.

Dark berry hues and spicy white pepper intermingle with characteristic Swartland floral aromas. In the mouth the wine is fresh with a young richness and distinct stony minerality.

4 Stars John Platter
