WINES

## The Wilde 2017

100% Nebbiolo

We were lucky enough to source Nebbiolo grapes from the Breedekloof to create one barrel of this unique gem! Fermented using wild yeast, the wine was kept on the skins for extended post maceration and barrel matured for 10 months in an old French oak barrel.

An exquisitely perfumed bouquet of succulent strawberries and sour cherries balanced with a touch of spice to tease the senses. The wine exudes a feminine elegance with silky smooth, well integrated tannins and a long luxurious aftertaste that will leave you wanting more.
