WINES

Wildehurst Straw Wine 2019

100% Chenin Blanc

One ton of Chenin Blanc grapes were sourced from a bush vine vineyard in the Swartland. The grapes were hung in our trusty old tin shed on rows of wires to dehydrate before pressing. The sweet juice underwent a slow, wild yeast fermentation in 100L French oak barrel and matured in barrel for 8 months before bottling.

A decadent sticky pudding wine that exudes aromas of dried apricots and grandma's home-made apricot jam.

308 bottles produced

Alcohol: 6.5%

Residual Sugar: 410g/L
